

New cover art for Tolkien's inspiring novel, to mark the climax of the motion picture trilogy

J.R.R. Tolkien The Lord of the Rings

The final movie tie-in editions with cover art from the award-winning film trilogy, in individual volumes or boxed set

J.R.R. Tolkien is ranked among the top three best-selling authors of 2002, according to *USA Today*. This fall, a multi-million-dollar marketing campaign will announce the December 17 opening of *The Return of the King* from New Line Cinema and continue to introduce thousands of new fans to Tolkien's epic saga of reluctant heroes determined to rid their world of evil. This three-volume trade paperback edition, available individually or in a boxed set, will appeal to gift-givers and readers of all ages.
